Ask a representative about enrolling in eStatements

e-statement benefits:

- Electronic statements are available for up to two years following the month of your enrollment.
- Electronic statements are a secure method of receiving statements. NHFCU follows strict electronic commerce policies to ensure that personal information is safe when transacting business online. Paper statements delivered to a mailbox are subject to the risk of mail theft.
- Electronic statements are generally available sooner in each statement period, whereas paper statements take longer to deliver.
