1. If transfer information you provide is incomplete, the Credit Union will not be able to process the transfer request. Transfers will be sent to only recognized creditors or financial institutions and will not be sent to your home or billing address.
2. Please continue to make your minimum required payment until the request transfer payment appears on that account's billing statement. The Credit Union is not responsible for any remaining balance on that account, or for any finance or other charges you incur due to delays in transferring balance.
3. If you transfer an amount for a transaction you dispute, you may lose some or all your rights against the other creditor.
4. While the Credit Union can pay your accounts directly, the Credit Union cannot close the accounts for you. If you wish to close any of the transfer accounts, you must send something in writing directly to the creditor with those instructions.
